

I would like to take this opportunity to let you know how very pleased we are with our beautiful floors! Larry Konopka was a pleasure to work with. He was concerned, conscientious, and hard working. Now a days it is not easy to find someone like larry who really cares about the customer and their satisfaction.

Thanks to Larry again, our floors are lovely and just what we wanted.

*Sincerely,
Laurie and Dan*

Thanks Larry,

The floors look great! Much better than they did. The ripples aren't as noticeable and the finish looks better too.

No dust! What a difference im very happy about that.

It was a pleasure to do business with you and i would be happy to give a recommendation.

*Sincerely,
Cynthia Stanley
